

REGROUPEMENT EUROPEEN POUR LA FORMATION ET LA RECONNAISSANCES DES MEDECINES NON CONVENTIONNELLES

REFORMED aisbl

DAY1	31/10/2020	DAY2	01/11/2020
HOUR 1	entry into the ZOOM virtual classroom	HOUR2	entry into the ZOOM virtual classroom2
	WELCOME		WELCOME
8:30-9:00	8:20 EU/INT Dominique DELAPORTE opening of the neuroscience days 'Link between intestinal microbiote and lungs' and validation of skills for recognition of our practices	8:30-9:00	8:20 EU/INT Dominique DELAPORTE opening of the neuroscience days 'Link between intestinal microbiote and lungs' and validation of skills for recognition of our practices
Thèmes :	Theme 1:TRADITIONAL MEDECINES TM	Thèmes :	THEME 5: BREATHING MEDITATION AND ENVIRONMENT
9:00-10:00	Mr Nobumitsu Koki Hayashi JP ISA Japanese immunity against Covid-19 is deeply linked to the food culture which is both a source of medicine and food, corresponds to the very spirit of Kampo medicine." and JP Program AROMA EQF 3 evaluation centre validated	9:00-10:00	vidéo and presentation Dr Christophe GIRARDIN ANDREAN "A spiritual application of neuroscience to pranic capture" with practical exercises. Validation of the current NATURO training programme
10:00-10:30	Mr Raddadi ABDELLATIF FR/MA "Apitherapy and Neurodegenerative Diseases in Traditional Medicines"	10:00-10:30	video Maxences LAYET "Air Pollution What Does Europe Know" NEWS RECOGNITION of Herbalism?
10:30-11:00	BREAK	10:30-11:00	BREAK
Thèmes :	Theme 2 NEUROSCIENCE and QUANTIQUE	Thèmes :	Thème 6 : REFLEXOLOGIE ET KINESIS
11:00-12:00	Mr Pierre DAVEZE FR TANAGRA ALOREM "Burn-out prevention thanks to Neurosciences, Breathing and Systemic Micronutrition"	11:00-11:40	Dr Edouardo LUIS PT REFLEXOLOGIE Chairman of the NOTHING presentation will be assured Mr Ronald GRAVE REFLEXOLOGIST Vice President of NOTHING "The importance of reflexology in respiratory neuroscience"
12:00-13:00	Mr Stéphane DROUET FR "Neurosciences, water and quantum consciousness"	11:40-12:10	Mrs Philippe BOMBEECK BE and Srephane ROULIN EN "Breathing and stress contribution of Kinesiology", accreditation for the filARI CEC 3/4 training program
	Mr Stéphane DROUET FR "Neurosciences, water and quantum consciousness"	12:10-13:00	Dr Patrick BACHE ES ADOE "Biochemical disorder in children causing ostar-dental dysfunctions causing emotional disturbance" handing over a SUPERIEUR CERTIFICAT for the ADOE CEC 6 training program
13:00-14:00	lunch BREAK	13:00-14:00	lunch BREAK
Thèmes :	Theme 2 (continued): NEUROSCIENCE and QUANTIQUE	Thèmes :	Theme 7:NATUROPATHY and NEUROSCIENCES
14:00-14:30	Mrs and Mr Nelda and Claude Jean LAPOSTAT FR QUANTAFORM "Global Quantum Approach to Your Respiratory Well-being" QUANTA Programme under validation	14:00-14:40	DN Azais KHALSI EN CENTRE OF RESEARCH "Neuroscience and quantum mechanics, the links between the brain, quantum physics and breathing"
Thèmes :	Thème 3: Medecines Non Conventiionnelles MNC	Thèmes :	Thème 8 : NATUROPATHIE EN EUROPE
14:30-15:00	Dr Jean Pierre WILLEM FR MEDECINS TO PIEDS NUS "Application of HE in neurological diseases and neurodegenerative pathologies" (ALZHEIMER and CHARCOT diseases)" validation of the NATURO program being validated	14:40-15:10	DN Konstantinos LIATSIKOS DE/GR Naturopathy "Psychoneuro-naturopathic immunology for respiratory disorders" training program being validated
15:00-16:00	Dr Marc JACQUEMIN BE PHYTO-AROMATHERAPY "Avoiding eternal sleep by homone of sleep in severe cases of SARS"	15:10-16:00	Mr Loukas SOUTTOS CY/GR NHS "Biodynamic breathing and the release of trauma." Accreditation for the NHS CEC 4 training program
16:00-16:30	BREAK	16:00-16:30	BREAK
Thèmes :	THEME 4: NATUROPATHY BREATHING AND KINESIS	Thèmes :	Theme 9: Nutrition
16:30-17:10	DN Rudy LANZA IT IRL and FNNP President "Cardiac coherence: a scientific technique of harmonizing heart-breathing for better stress management." NATURO CEC4 training chart	16:30-17:00	Patrick HOULLIER Pharmacist FR PARINAT "The 3 embryological sheets from theory to nutritherapeutic practice: case of the respiratory system"
17:10-17:50	Patrice PERCIE DU SERT FR THE MIEL AND THE WATER "New routes of care for the management of asthma" (the benefit of air from hives)	17:00 -17/30	Dr Jean-Marc ROBIN "Olive polyphenols: impact on health" awarding a higher certificate for the HSS CEC level 7 training program
17:50-18:30	Mme Isabel COMPAN ES EEN Lda. Philosophie - Sciences Education Public School Teacher "RMTi - Connections Rhythmic Movements for Neural Development" with Practical Exercises	17:30-17:00	Prof Zahia HOUMANI DZ researches Medicinal plants "Olive oil between food and herbal medicine"15 minutes LeOS Domain presentation video and exceptional quality of oils for a high quality pleasure diet.
	/ Training Program in progress of validation levelu CEC 4	18:00-18:30	GROBOST EN "The importance of body homeostasis: physical, energetic and mental. How can we combine this multidimensional approach to life to optimize the balance of health?"
18:30-18:35	CONCLUSION OF THE DAY	18:30-18:35	CONCLUSION OF THE DAY
